MILAN STAMATOVIĆ

Četrnaest godina festivala koje su za nama, obavezuje nas da u godinama koje dolaze ovu manifestaciju podignemo na još viši nivo. Na tome temeljno radimo iz godine u godinu. To se svakako poklapa sa strateškim planovima opštine Čajetina, koja je sportski turizam prepoznala kao jednu od najznačajnih grana naše ponude. Od početka 2025. godine, naša opština ugostila je preko 200 sportskih ekipa iz raznih delova sveta, koje su ovde dolazile na pripreme, i u Zlatiboru prepoznala sve ono što im je potrebno. Unapređenjem sportske infrastrukture, razvojnim planovima i projektima koji su pred nama, Zlatibor je postao ozbiljna konkurencija destinaciji poput Antalije, koja je do sada bila u samom vrhu ovakve ponude u ovom delu Evrope i regiona.

Nije mala stvar organizovati jedan festival skoro deceniju i po za redom, sa sve boljim i boljim kvalitetom.

Nadamo se da ćete uživati koliko i mi dok smo za vas pravili program festivala.

*predsednik Opštine Čajetina

WELCOMING ADDRESS

MILAN STAMATOVIĆ

Fourteen years of the festival behind us oblige us to raise this event to an even higher level in the years to come. We are working consistently on this year after year. This certainly aligns with the strategic plans of the municipality of Čajetina, which has recognized sports tourism as one of the most important branches of our offer. Since the beginning of 2025, our municipality has hosted over 200 sports teams from various parts of the world, who came here for training and found in Zlatibor everything they needed. With the improvement of sports infrastructure, development plans, and upcoming projects, Zlatibor has become a serious competitor to destinations such as Antalya, which until now has been at the very top of this type of offer in this part of Europe and the region.

Organizing a festival for nearly fifteen years in a row is no small achievement, with ever-increasing quality.

We hope that you will enjoy it as much as we did while creating the festival program for you.

*President of the Municipality of Čajetina
and member of the MFSF Program Council*

DOBRODOŠLICA

ARSEN ĐURIĆ

Kada smo pre 14 godina počeli da organizujemo Festival sportskog filma Zlatibor, nismo do kraja znali u šta se upuštamo. Izbor filmova bio je ograničen, malo ljudi na ovim prostorima verovalo je u sportski film. Situacija se danas drastično promenila. Novi filmovi, novi autori, nove teme su u porastu.

Festival je postao generator ideja koje doprinose projektima i imidžu opštine, ali ne samo to, ova manifestacija deluje mnogo šire, povezuje ljude sa raznih krajeva planete, pravi nove/stare veze u regionu i prenosi pozitivnu poruku generacijama koje dolaze. Naš festival bio je iskra da se u regionu, ali i u svetu osnuje još sličnih festivala, pa možemo reći da je jedna mala opština sa Balkana dala doprinos kulturi i sportu na globalnom nivou.

Uživajte u čarima Zlatibora, i naravno uživajte u pričama iz ovogodišnje selekcije filmova.

*predsednik Skupštine opštine Čajetina
i predsednik Organizacionog odbora MFSF*

WELCOMING ADDRESS

ARSEN ĐURIĆ

When we launched the Zlatibor Sports Film Festival 14 years ago, we had no clear idea of what we were stepping into. The selection of films was limited, and few in this region truly believed in the potential of sports cinema. Today, the picture is completely different. New films, fresh voices, and emerging themes are flourishing.

The festival has grown into a generator of ideas, boosting projects and strengthening the image of our municipality. But it goes far beyond that—this event reaches across borders, bringing together people from all over the world, rekindling old ties, creating new ones, and passing on a positive message to the generations ahead. What started here has sparked the creation of similar festivals both in the region and abroad, allowing us to say with pride that a small municipality from the Balkans has made its mark on global culture and sports.

We invite you to enjoy the beauty of Zlatibor—and, of course, the stories told through this year's selection of films.

*President of the Municipal Assembly of Čajetina
and President of the MFSF Organizing Committee*

DOBRODOŠLICA

VLADIMIR ŽIVANOVIĆ

Nije čudno da se jedna ovakva manifestacija održava u jeku turističke sezone na Zlatiboru. Avgust važi za mesec u kom naša opština beleži najviše turističkih poseta i nudi najviše sadržaja našim gostima. Drago nam je da je i filmska publika prepoznala potencijal naše opštine.

Jedna smo od retkih turističkih destinacija u zemlji koja u jednakoj meri nudi, kako urbane sadržaje, tako i neverovatna iskustva u prirodi. Ovo je mesto gde se spajaju selo i grad, i gde urbano ne smeta prirodi. Želimo vam da nakon dnevnih šetnji, planinarenja, vožnji gondolom i kupanja u našim bazenima, rekama i jezerima, bavljena sportovima za koje postoji ozbiljna infrastrukturna mreža, iskustava sa ukusima i mirisima domaće kuhinje, filmske projekcije budu šlag na torti vašeg odmora.

WELCOMING ADDRESS

VLADIMIR ŽIVANOVIĆ

It comes as no surprise that an event like this takes place at the height of the tourist season on Zlatibor. August is the month when our municipality records the highest number of visitors and offers the richest variety of experiences to our guests. We are delighted that film audiences, too, have recognized the potential of our region.

We are one of the rare tourist destinations in the country that can equally offer both urban attractions and unforgettable experiences in nature. This is a place where village and town meet, where modern life does not overshadow the beauty of the natural surroundings. After a day filled with walks, hiking, gondola rides, swimming in our pools, rivers, and lakes, engaging in sports supported by a strong infrastructure, and discovering the flavors and aromas of our local cuisine—let the film screenings be the final touch, the cherry on top of your holiday.

Director of the Zlatibor Tourist Organization

KAD JE SPORT ŽIVOT, A ŽIVOT POSTANE PRIČA

Svi mi verujemo da nemamo dodirnih tačaka sa životima vrhunskih sportista, asova i šampionki koji su život posvetili treningu, kako fizičkom tako i mentalnom. Svaki od tih života, posvećenih sportu, zapravo je sličan našim životima, pun uspona i padova, nedoumica, želja i nadanja. Zato je ideja festivala sportskog filma da ovim pričama, dopre i do publike koja ne prati sport, pre svega na emotivnom nivou. Naš Festival želi da ode i korak dalje, jer prikazuje životne priče, ne samo vrhunskih sportista, nego i živote sportskih posvećenika koji život daju sportu i treningu, znajući da rezultati neće biti vrhunski. Dvadeset i šest filmova, različitih kategorija i trajanja nude publici mogućnost da upoznaju različite junake u različitim sportovima i različitim okolnostima. Ipak, ono što njih sve spaja i što je svima zajedničko, to je trud, rad i želja za uspehom.

U fokusu Festivala je godišnjica osvajanja evropske titule u košarci. Trideset godina je prošlo od velikog uspeha naših košarkaša. Po prvi put je upriličen veliki doček našim šampionima. Značajan deo festivala obuhvatiće i prateće festivalske aktivnosti. Zato je akcenat stavljen na kolektivne sportove, košarku i fudbal, sa jedne strane ali i individualne, atletiku i borilačke sportove, sa druge strane. Svaki od četiri festivalska dana biće posvećen jednom od tih sportova sa željom da ih približi, ne samo festivalskoj publici, već i dragim gostima Zlatibora.

Sa našim festivalskim programom i pratećim aktivnostima sport jeste život, a život postaje priča!

selektor Festivala*

WHEN SPORT IS LIFE, AND LIFE BECOMES A STORY

We often believe that our lives have little in common with those of top athletes, champions, and stars who have devoted their existence to both physical and mental training. Yet, every life dedicated to sport mirrors our own in many ways—full of ups and downs, doubts, wishes, and hopes. That is why the idea of the Sports Film Festival is to bring these stories closer to audiences who may not follow sport, appealing above all to the emotional level.

Our Festival also strives to go a step further: it showcases not only the life stories of world-class athletes, but also of those devoted to sport and training even when they know their results may never reach the very top. Twenty-six films of different categories and lengths offer audiences the chance to meet a wide range of heroes, across different sports and under different circumstances. What unites them all, however, is their effort, hard work, and the relentless desire for success.

This year, the Festival shines a spotlight on the anniversary of winning the European basketball championship. Thirty years have passed since the great triumph of our national team—an achievement that was celebrated with a grand reception for our champions for the very first time. A significant part of the Festival will also include accompanying activities, with a focus on both team sports such as basketball and football, and individual disciplines such as athletics and martial arts. Each of the four festival days will be dedicated to one of these sports, aiming to bring them closer not only to the festival audience, but also to the many cherished guests of Zlatibor.

With our program and its accompanying events—here, sport truly is life, and life becomes a story!

Montaža: Marko Mitrović

Film je posvećen je prvom košarkaškom kampu u Jugoslaviji i jednom od prvih u Evropi – Akademskom košarkaškom kampu „Aleksandar Nikolić“ na Zlatiboru. Kroz ovaj kamp su prošla sva najveća trenerska imena Jugoslavije i Srbije, ali i mnogi vrhunski košarkaši. Osnivači kampa, treneri i igrači koji su baš na Zlatiboru ulazili u svet košarke, otkrivaju zašto je ovaj kamp drugačiji od ostalih. a film about the “Aleksandar Nikolić” Camp**

Serbia
Running time: 20'
Director: Ivica Vidanović
Screenplay: Aleksandar Miletić
Editing: Marko Mitrović

The film is dedicated to the first basketball camp in Yugoslavia—and one of the first in Europe—the Academic Basketball Camp “Aleksandar Nikolić” on Zlatibor. The story of the camp, which this year marks half a century since its founding, is also a story about the development of basketball in this region. All of the greatest coaching names of Yugoslavia and Serbia, as well as many top players, passed through this camp. The founders, coaches, and players who took their first basketball steps on Zlatibor reveal what makes this camp different from the others. Its essence lies in its original slogan, still relevant today: “Basketball for children treated with respect!”
